PL000213	99999	Admitted Harasser	"Keep going folks, I emailed and am sending in complaint to her employer. I say jail time for her...."
PL001002	99999	Admitted Harasser	"Emailed all contacts with my disgust of the whole Tanya - Love Lives Here terror group. PL000608	Amasius	Admitted Harasser	"Email sent to 'Love Lives Here.' Tagline: Some advice. 'Y'all evil kikes need to quit harassing Richard Spencer's mother and issue an apology if you want the trolling to stop. Are you even capable of doing that, what with being a bunch of parasitic rat-demons? I see you've thrown Tanya Gersh under the bus, but that's not nearly enough. This is Trump's America now, and your games are through. Richard Spencer for Montana congress!'"

PL001119	AryanUprising	Violent Poster	"These corrupt politician bastards have shown their true colours (blue and white) and foolishly backed the wrong horse. You would think, in their positions, they would have access to better legal and political advice. It's almost as if they've been compromised in some way. Pizza, anyone?"

PL000848-49	jewshoes	Admitted Harasser	"To: info@purewestmt.com, ... Subject: Request for response - Whitefish supporters To whom it may concern, everyone involved and unfortunately implicated: as a concerned citizen, voter and tax payer, the interests of the town of Whitefish have recently been severely compromised by one: Ms Tanya Gersh, resident and realtor of Whitefish. Many of us seek a formal response from your office and or business, in order to make determinations regarding participation in future protests in support of a Mrs Spencer, resident of Whitefish, real estate owner and mother of one Richard Spencer. Ms Tanya Gersh has apparently disgraced herself and the business people of the town of Whitefish by her bullying behaviour and extortionate communications with Mrs Spencer. She has also named the group "Love Lives Here" and has thereby implicated "LLH" in her abhorrent behaviour. Your formal and public denunciation of Ms Gersh's criminal behaviour is sought in order for us to clarify your position on such matters of business ethics and common human decency. Sincerely, and awaiting your formal response, Whitefish Supporters"

## DAILY STORMER COMMENTS – ADMITTED HARASSERS AND VIOLENT POSTERS

PL000781	La_Binz	Admitted Harasser	"Can someone give an account of how your phone call went? I called Gersh's husband's law office the other day and tbh it was all very awkward. The woman secretary answered the phone and I asked to speak with Mr. Gersh. She if course denied my request, so I asked her if she was aware that she is working for a man who's wife is involved in a criminal Mafia style racketeering organization that intimidates and harasses innocent women. She said, in a very annoyed voice, how she didn't know what I was talking about. So I told her to pass along the message that as a Montana resident (I'm not) I will be boycotting any business who is in any way affiliated with the group Live Lives here and Tanya Gersh, and that includes this law firm and anyone they represent and that I'll be calling their clients next. She said 'oooookkaaayyyy' literally just like that. The whole conversation lasted about 90 seconds and I felt kind of sleazy for harassing the business of the husband. I mean, I know they do this to us, and I think they definitiey deserve for the tables to be turned but it all feels very Jewey to me. Maybe it's because I'm a woman and conflict gives me anxiety. Is this about how it goes for you all, or did I do something wrong?"
PL000248-249	Leon29	Admitted Harasser	"Here's my email to her husband's office: Good morning sir, madame, I need to consult a lawyer about a case of extortion. A local realtor is trying to force me to sell my property by threatening my tenants and organizing political protests in the street in front of my building. This local realtor takes offense to my wife's son's political positions, and has chosen to threaten me and my livelihood. I'd like to consult with you about taking her to court, getting her realtor's license revoked and involving the FBI on extortion and racketeering charges, as well as seeking financial compensation. Thank you, Sincerely Tyronne Dejarvus"

## DAILY STORMER COMMENTS – ADMITTED HARASSERS AND VIOLENT POSTERS

PL000249	Logos14_88Evropa	Admitted Harasser	"Your actions re: Mrs. Spencer (including blackmail and/or extortion, which , at the least, it most certainly seems to be) are absolutely shameless, abhorrent, and should be utterly condemned. Your attempts t strong-arm her our of her ownership of her mixed-use facility are underhanded, politically motivated and are are pathetically selfish. Regardless of her son'a politics, she should not be dragged over the hot coals just because you feel like attacking as a means to ruin his finance (he gets the majority of income through non-conventional means and this is predicated on his respected free speech - you know, the kind where you don't have to self-censor to protect, for instance, your mother and her property. You, madam, are a vulture swooping down on the most vulnerable, and not only that, but you make a despicable point of pretending to hold the moral high ground when you are, in fact, about as ethical as a tapeworm takng resources/food/sustenance from its host until it died. You should be ashamed. As a journalist and freelance writer with several articles published on just this kind of stuff. I may wish to act further in the futre, so please be forewarned. Your actions have consequence and I'm a very good journalist. Have a good day. Rethink your plans unless you want to open a can of worms the likes of which you've never seen."
PL000033	MaceDindu	Admitted Harasser	"One fun thing you can do is call periodically, but hang up before they answer. It's super annoying when you pick up the phone, but whoever was calling has already hung up. Plus, it's no charge to you."

## DAILY STORMER COMMENTS – ADMITTED HARASSERS AND VIOLENT POSTERS

PL001091-92	MarkRobert	Admitted Harasser	<p>"I contacted Governor Steve Bullock, sending him following statement. Sherry Spencer, is being harassed, threatened &amp; extorted, this is coercion of the highest order, Tanya Gersh &amp; Whitefish Mayor John Muhlfeld might well be involved in a racketeering scheme. Whitefish Mayor John Muhlfeld came out to defend Tanya Gersh's actions, but why would he side with an extortionist??? Now U.S. Sen. Jon Tester (D-MT), U.S. Sen. Steve Daines (R-MT), U.S. Rep. Ryan Zinke (R-MT), Gov. Steve Bullock (D) and state Attorney General Tim Fox (R). might also be defending Tanya Gersh's actions, but why would these people side with an extortionist??? Tanya Gersh is a realtor in Whitefish with links to "human rights" organizations Love Lives Here &amp; Montana Human Rights Network. On November 22, 2016 Tanya Gersh and Sherry Spencer spoke on the phone. Gersh threatened Spencer, telling her to either sell her business or face 200 protesters and national media feeding frenzy outside of her business, which would drive down the property value until she complied. Tanya Gersh gave Sherry Spencer an ultimatum; demanding that Spencer make a public denouncement of her son in a written statement, &amp; make a donation to Montana Human Rights Network from the sale of her business property. One of Sherry Spencer's renters reported that Gersh threatened her business with boycotts unless she moved. This renter also alleged that Gersh referred to her as "collateral damage."</p> <p>Tanya Gersh's coercion for profit, sounds a lot like a racketeering scheme, how far down the rabbit-hole does this go??? The Montana Human Rights Network, Love Lives Here &amp; the Whitefish Mayor John Muhlfeld all of whom came out to defend Tanya Gersh's actions might well be involved in this racketeering scheme</p>

## DAILY STORMER COMMENTS – ADMITTED HARASSERS AND VIOLENT POSTERS

PL000202	PolarBear	Admitted Harasser	"Don't worry people. We are in the game against the yahudi of Montana. We can get more assertive if we have to. Apply more pressure. Ms Gash could drive her car off a cliff because her brakes failed. Who would know why?"
PL000267	PolarBear	Admitted Harasser	"Thank you for the short cut. I've worn out their office phone privileges."
PL000976	PolarBear	Admitted Harasser	"I filed complaints both criminally with the Sheriff's Office and Adm with gersch's employer."
PL000078-79	Poseidon	Violent Poster	"You could tell them how much coke it would take to cremate all 6,000 Jews on a Topf double-muffle oven in continuous operation. Data from the Topf double-muffle at Gusen shows that in 1941 the Germans managed to get the consumption down to 30.6 kg of coke per corpse in continuous operation, which compares with 47.9 kg per corpse for semi-continuous operation. Thus, 6,000 Jews * 30.6 kg of coke per Jew = 183.6 tons. (Cf. the total of 1,037 tons of coke delivered to Auschwitz-Birkenau between 16th February 1942 and 25th October 1943.) As for how long it would take to cremate the 6,000, one corpse per muffle per hour is a fair if optimistic estimate. Thus, operating at the maximum possible of 20 hours per day (to allow for cleaning out slag and general maintenance), 40 Jews could be cremated per day, and it would take 150 days to cremate all 6,000. Given that the firebricks would only survive for around 2,000 cremations per muffle before needing replacement due to cracking and spalling, the oven would likely have to be shut down for a few weeks whilst extensive repairs were performed. Electric ovens could achieve the required 3,000 cremations per muffle, but the coke-fired ovens were subject to greater temperature fluctuations, and 3,000 cremations per muffle is unrealistic. Therefore the operation would take about 180 days. However, it would be better still to replicate Auschwitz I by having three double-muffle ovens. The firebricks would then probably withstand 1,000 cremations per muffle (provided they were run as intended with one corpse at a time per muffle, and no one tried stuffing multiple bodies simultaneously). This would enable cremation of 120 Jews per day, and so 6,000 could be cremated in 50 days. The required coke consumption would remain in 183.6 tons. The meme could read something like this: No. of Jews in Montana = 6,000. Coke required to cremate a Jew = 30.6 kg. Coke required to cremate 6,000 Jews = 183.6 tons."

## DAILY STORMER COMMENTS – ADMITTED HARASSERS AND VIOLENT POSTERS

PL000087	Poseidon	Violent Poster	"Calorific value of a gallon of diesel = 139,000 BTU. 1 BTU is approximately 1,055 J. So 1 diesel gallon ~ 146.6 MJ, 5 diesel gallons ~ 733.2 MJ = 24.4 kg of coke @ 30 MJ/kg of coke. So 5 gallons of diesel is about right to make a body disappear, given a reasonably efficient furnace. It would require much more fuel in open-air pits, since much more heat escapes by radiation and convection."
PL000689	Poseidon	Admitted Harasser	"Here's a site that accepts reviews of Judah Gersh's law office: <a href="http://www.whereorg.com/gersh-law-office-of-judah-m-8938145/write-a-review">http://www.whereorg.com/gersh-law-office-of-judah-m-8938145/write-a-review</a> and here's a review that I left:"

It is simply a case of deciding what you are going to do to set things right. I have participated. I can't say here what I've done. I can say I am monitoring the situation and Spencer losing is not just going to be painful for Mrs Spencer."

PL000059	Ronald_McNazi	Admitted Harasser and Violent Poster	"Call these Grimy Kikes and keep asking if they are interested in selling their property or anything that is visible on their property. Cars, swing sets, yard decorations. It's perfectly legal. Like this. I noticed you have a 2014 Cadillac in your drive way. Is it for sale. I'm verrry interested."
PL000718	ryanmurdough	Admitted Harasser	"I have sent numerous emails to various people in Whitefish regarding White nationalist groups that are willing to travel to Whitefish to peacefully protest the actions of Jews toward Sherry Spencer."
PL000746	ryanmurdough	Admitted Harasser	[Screenshot of review left on Tanya Gersh's Real Estate website] "The wife of Judah Gersh, Tanya, along with her Jewish associates threatened Sherry Spencer with financial ruin if she did not comply and sell her business in Whitefish MT. Tanya did this solely because she disagreed with the politics of Mrs. Spencer's son. What Tanya Gersh did was highly unethical and from what I hear, she will be investigated for it and possibly have her license revoked."

PL000050-51	Sabertooth	Admitted Harasser	"I launched an unrelenting barrage of kike slicing insults at Tanya Gersh Twitter today. Her behaviour is nothing short of repugnant."
PL000829	SamCrow	Admitted Harasser	"To Who It May Concern, Who knew Meyer Lansky still operates a syndicate in the guise of Tanya Gersh and 'Love Lives Here' in Whitefish. I am appalled at the shakedown of Richard Spencer's mother. Needless to say Whitefish will be crossed off my list as a potential vacation spot till this matter is resolved. Obviously a public condemnation of Gersh and her fellow extortion racketeers is in order. Sam Crow Sent a bunch of these emails off today"
PL000801	SarahSoapovich	Admitted Harasser	"Just sent a few emails to the Real Estate firms. must go on."

PL000049-50	somedaysoon	Admitted Harasser	"Left 'Love Lives Here' a nastygram on the website contact function. I made sure to bring up the subject of harassment being a possible violation of the laws under which non-profits operate. I have no idea if it is, by the way, since the ADL is alive and well, but it can't hurt. And if anyone here knows about that stuff, some digging might be in order."
PL000134	somedaysoon	Violent Poster	"If one was to, hypothetically speaking, buy a couple boxes of rock salt, no one would ever think of anything except home made ice cream."

## DAILY STORMER COMMENTS – ADMITTED HARASSERS AND VIOLENT POSTERS

PL000950	Steve	Admitted Harasser and Violent Poster	"make up a jew sounding gmail account. Type a letter to the kike as follows: Dear Tanya Gersh, As a jewish transgendered woman, with 2 adopted african gay children, it saddens me to hear that you have been harassing Mrs Spencer. I of all people, understand what its like to be persecuted. I have had swastikas painted on my bagel shop, and I have been raped my white supremacists. But as a jew we must allow for freedom of speech or we are no better than the filthy goy. I therefore, request that you sell your home, and donate 10% of the proceeds to the dailystormer as a token gesture that we value freedom of speech. Don't worry we will still crush the goy, but we must choose our battles carefully as they are on to us. We must as least let them win a few battles. Never again, Shlomo Cucklestein"

PL000043	TCA	Admitted Harasser	"Sent this email to all the email addresses, as well as the comments box of Love Lives Here: The Jewish practice of harassing the host population is the reason you have been deported from sovereign territories 109 times in history. Attacking Spencer's mother is thoroughly disgusting, and you should be ashamed of yourself, except that Jews and genetically incapable of feeling shame, it seems. I will come to the financial aid of my Aryan kin, and your persecution will fail. We no longer believe your lies. Merry Christmas, [my first name]"

## DAILY STORMER COMMENTS – ADMITTED HARASSERS AND VIOLENT POSTERS

PL000134-35	ThorsHammerr	Admitted Harasser	"These businesses have Love Lives Here signs in their windows. Love Lives Here is an anti white hate group that supports the bullying, intimidation and extortion of innocent old women for financial gain [lists contact information for Whitefish businesses] when you call its best to be a conservative normie not 1488. be offended at how LLH is treating Spencer's mom, also LLH trying to bring refugees to the area and that theyre pro-abortion, pro-black lives matter, call trump supporters racist. flathead county voted Trump by huge numbers so these stores must have some fear they could lose bizness from hanging the sign. most of them think LLH is just a anti-nazi group and don't know what all theyre involved in."
PL000186	tkidcharlemagne	Violent Poster	"You may think this is devilry on an unprecedented scale but in reality it is not. This is simply what they always do. This is another thin red line moment. This jewess must not be allowed to cross that line. Ratchet up the response and when she falters and shies away go in for the kill and destroy the witch. Pummel her into the dirt till she is begging for mercy then strike her down again and again. There will be no mercy. We must make an example of her and her cohorts. We must strike fear into the heart of all jew that their time unchallenged is gone."

PL000797	Viking87	Admitted Harasser	"I've made a good 2 dozen calls already. Sometimes they play stupid 'I don't know what you're talking about' so I lose it on them, sometimes you get someone who says that they would like to talk to you over a cup of coffee or a beer about the situation and won't answer any questions, sometimes you get someone who gives you an attitude (then I really lose it) and other times you get no answer at all. It really doesn't matter the outcome, we get our message across either way. What's important is that you are participating."

## DAILY STORMER COMMENTS – ADMITTED HARASSERS AND VIOLENT POSTERS

PL000798	Viking87	Admitted Harasser	"I asked him why he supports a Jewish terror organization and he said if you would like to have a productive conversation come down to his shop next week. I told him I would be there today and he better have some answers for me. I then proceeded to inform him that LLH is attempting to flood his small town with 6000 Syrian refugees, and he responded that was a separate issue, and basically he just had their sign up because he went to a community meeting and LLH was handing out signs. He also said he know sherry and Tanya personally and thinks they are both good people. When I asked him if he had read the messages Tanya sent sherry, he said no because he is not on Facebook. I told him he should do himself a favor and do a little research before picking a side."
PL000828	Viking87	Violent Poster	"I wouldn't waste your time... I posted a few on Trulia and Zillow and they never got approved. Also I heard from multiple sources that she already got canned... She has been defeated. It's time to set our sights on LLH and it's supporters. We will not stop until victory is ours. This must stand as a lesson to anyone trying to fuck with our people. The days of attacking whites are over you filthy fucking Jews. I can't wait to say omg it's 2017, you seriously still stand with Jews? Wow just wow. We need to meme this into reality..."
PL000962-63	Wayne	Violent Poster	"Empire strikes back. Long are the days when Kikes had support from anywhere for their racketeering and manufacturing of consent and white goyim would bow down to them when Kike said "antisemite", "racist", "nazi", "white supremacist". This days are gone Kikes. The sooner you realize it, the better for you. White man had enough of your Kikery. Taste your own medicine, Kike scum. PL000126-127	YochiShekelworthy	Admitted Harasser and Violent Poster	[Screenshot of email sent to Ina Albert] "Ina, I read somewhere that you said Whitefish is the most beautiful place on earth. It isn't. But you know where the most beautiful place on earth is? It's Israel. It really, truly is. You should go there and never return to America because the great majority of Americans really, really hate the Jewish people and they wish Hitler had succeeded in his final solution. So you should exercise your right to return and go to Israel. That's what I would do. If I were an 81-year old Jewish lady like you I would feel extremely uncomfortable living out my final years in small town Christian America where the odds are strong that pretty much everyone there deeply and truly hate you."
PL000064-65	Zamasu	Admitted Harasser and Violent Poster	[Screenshot of message sent on Love Lives Here website] "Alright maggots, listen up, I'm about to teach you the Pecking Order. It goes: You, the dirt, the worms inside of the dirt, Richard Spencer's stool, Trump, then Hitler. Any questions?"
